

## AXT126 Axalta Wax & Greaser Remover

### Description

- Solvent mixture developed for removal of contaminants prior to surface preparation and final cleaning and degreasing before application of undercoats or topcoats. Composition based on aliphatic solvents.

### Product

- AXT126 Axalta Wax & Grease Remover

### Properties

- Cleaner, which eliminates non-water soluble contaminants from old finishes and prepared areas to obtain a perfectly cleaned surface before the application of undercoats or topcoats.

### Application - Remarks

- For old finishes:
  - Clean surface with water and soap. Rinse and dry.
  - Degrease the area to be prepared with DX30.
  - Wipe dry with a clean cloth.
- For prepared areas:
  - Degrease the sanded surface with DX30 just before application of undercoats or topcoats
  - Wipe dry with a clean cloth.
- Never let AXT126 evaporate from the surface. Treat only one small area at the time.
- Change cloths often, never use dirty cloths.

<b>Note on safety:</b>	
	Please consult the Safety Data Sheet. It is strongly recommended to use appropriate personal protection equipment during application.
	Observe the precautionary notices displayed on the container.

## Information

The information provided herein corresponds to our knowledge on the subject at the date of its publication. This information may be subject to revision as new knowledge and experience becomes available. The data provided fall within the normal range of product properties and relate only to the specific material designated; these data may not be valid for such material used in combination with any other materials or additives or in any process, unless expressly indicated otherwise. The data provided should not be used to establish specification limits or used alone as the basis of design; they are not intended to substitute for any testing you may need to conduct to determine for yourself the suitability of a specific material for your particular purposes. Since Axalta cannot anticipate all variations in actual end-use conditions Axalta makes no warranties and assumes no liability in connection with any use of this information.
