Standox[®] Silicone Cleaner (Aerosol)

Ordering Information:				
14 oz.	Standox Silicone Cleaner (Aerosol)	020 16208		

9108

Features:

- ♦ Solvent silicone remover
- ♦ Removes wax and grease
- ♦ Excellent wetting in all temperatures

Working Process: Standox Silicone Cleaner (Aerosol)

Substrates:

- ✓ Bare metal-aluminum-galvanized metal, sanded
- ✓ Standox polyesters, sanded
- ✓ Standox fillers, sanded
- ✓ Through-hardened, sanded paintwork

Apply by aerosol.

Remove with a clean, dry cloth.

Use air jet to blast residual moisture from corners and crevices. Ventilate surfaces well before further treatment.

Important Technical Remarks:

- Shake well before use.
- Not for use on plastic!
- Change cloths often. For cloth recommendations, please refer to the Sontara® chart on page 8 in Charts & Systems.
- Check local regulations for compliancy.

Important Legislative Remarks:

 Please see the appropriate VOC Wallchart for compliance for your area. The values depicted below are "as supplied".

VOC Category	VOC (ap/le)	Wt% Volatiles, Water & Exempts	Gallon Weight
Surface Preparation	902 g/l	100%,0%,0%	7.53 lbs/gal

- For industrial use only by professional, trained painters. Not for sale to or use by the general public.
 Before using, read and follow all label and MSDS precautions. If mixed with other components, mixture will have hazards of all components. Do not sand, flame cut, braze or weld dry coating without a NIOSH approved air purifying respirator with particulate filters or appropriate ventilation, and gloves.
